

BRIC Working Group: Practical Approaches to NIMV in Radiotherapy Supporting Implementation Together

Building shared understanding across centres

Sofia Parveen
RTT

Why We're Here

BRIC LinkedIn

Growing interest in NIMV
Parallel experience across centres
NIMV

- * 60 bpm
- * 2 bpm
- * Prolonged breath holds
- * Regularised breathing

Oxygen Breath holds

Different centres, different approaches,
shared learning opportunity

Proposal...

- Informal space for shared experience
- Discuss what's working
- Learn from each other
- Shared space- shaped by the group

Proposal...
